Call-In Homecare

Your choice for a better quality of care

Call-In Homecare
Care at home services

Call-In Homecare is one of the top Care at Home providers across Edinburgh, the Lothians, Falkirk and Dundee.

Established in 1991, our colleagues and clients are at the heart of everything we do. Our team of experts in local care support provide safe, bespoke and personalised care services to people with different needs, whilst promoting independent living.

We believe all individuals in need of care deserve to have a say in how their service is delivered. We pride ourselves in involving our clients and their loved ones in taking an active role in the planning and provision of their care, ensuring we provide a consistent, reliable and excellent quality service.

High-Quality Care and Support

Call-In Homecare provides flexible, person-centred support services to allow individuals to live a dignified, independent life tailored to their needs and aspirations. We are committed to improving the well-being and quality of life for the service users we support. Our services are based on choice and control, personalisation and being a part of the community.

Our services are based on sound principles – we ensure our care and support focuses on your overall well-being and allows you to live with dignity. We are fully registered with the Care Inspectorate, Scottish Care and are members of the United Kingdom Home Care Association (UKHCA).
